Sunday Evening Services

Engage: Café style: 'unplugged' worship for ten to fifteen minutes, a talk, discussion or video, a response in ministry, prayer, or worship. The emphasis is very much on participation. *No more than an hour. In the hall, with refreshments available throughout.*

Evening Prayer: From Common Worship. Said, with discussion or reflection rather than a sermon. *In the sanctuary. About 30 minutes.*

Ignite: A New Wine celebration. Full band, speaker, ministry time. *Termly, in the church, with refreshments at the end.*

L8ter: A quiet, reflective, multi-sensory service. Video, music, readings, symbols, silence, prayer, sometimes compline. *In the sanctuary. 30-45 minutes.*

Songs of Praise: Favourite hymns and songs, followed by tea and cake. *In the church. Termly, in the afternoon.*

And monthly on Saturdays...

Messy Praise: the usual mix of craft, worship, food and fun! For all the family. *In the whole building! (At 3.30pm)*

Sunday Morning Services

8.00am Holy Communion
A quiet, reflective start to Sunday
A said service using Common Worship (Order 2 in Contemporary Language).
In the church.

10.30am Morning Worship
Something for everyone!
Informal and friendly, with a mix of modern and traditional worship. We start the service all together in church, then our children and young people aged from 0-14 leave for Junior Church in the hall. Once a month, usually on the second Sunday, we all come together for Holy Communion.

For more details of these and all our other weekly activities, please visit our website or call or email the Church Office.
