

Harvest Hunt

*The land has produced its harvest; God,
our God, has blessed us. (Psalm 67.6)*

The harvest hunt is in several sections and you can choose to do all or some of them at any time during the weekend of 26th-27th September.

If you would like to make a harvest donation, Cambridge food bank are inviting people to donate to their fuel-help scheme this year, instead of giving food donations. This scheme is used to provide gas and electric top-ups to those in need. Please visit their fundraising page where a financial donation can be made:

<https://virginmoneygiving.com/fund/CambridgeWarmHomes>

If you would prefer to donate food, there will be a collection point in the church porch during service times (8am and 3pm on Sunday).

Harvest Clues and Hymns

If you prefer a shorter harvest hunt for pre-schoolers, skip this section.

Walk along Fen Road from Church Lane to the Fen Road entrance to Milton Country Park to answer the following questions:

- 1) There are two properties with fruit in their front gardens. What is the number or name of the property with:
 - a) Two pineapples in a strange place?
.....
 - b) A real fig tree with figs on?
.....
- 2) There are flowers growing out of lots of unusual pots on a wall. What were the pots originally and how many of them are there?
.....
- 3) There are two notice boards with verses from hymns on them. Can you find them and answer the questions on the boards?

Notice Board 1 Questions

How do people help to bring about the harvest?

.....

How does God help to bring about the harvest?

.....

Notice Board 2 Questions

Missing vegetables:

- 1)
- 2)
- 3)
- 4)

Answers to the questions will be on the church website next week:

www.allsaintsmilton.org.uk.

Creation in the Park

Observe or collect the gifts of nature in Milton Country Park. You may like to use some of the items you have collected to make something or paint or draw a harvest picture. We would love to see your creations – please email your photos to office@allsaintsmilton.org.uk. We are looking forward to displaying some of the photos on the church website www.allsaintsmilton.org.uk.

Harvest around the Home

Pre-schoolers

We eat all sorts of different food. How many different colour foods can you find in your home?

For older children

The food we eat comes from all over the world. Look at the food in your home and see how many different countries it comes from. Thank God for all the different people who grew and made food for you.
