

We are organising a Light Trail this year on 31<sup>st</sup> October.

If you would like to join in there will be a trail map on the website nearer the time showing locations of decorated windows to see. The trail will end at an illuminated grotto in the churchyard where sweets will be available (individually wrapped and distributed). There will be an extra something for those dressed in a light, bright, colourful and cheerful way. 😊

If you would like to decorate your own window in a light, bright, cheerful way, you could use lamps, candles, fairy lights, colourful paper/fabric/decorations, etc. There is are also some pictures below that you make like to print and colour. Please ensure there are no decorations associated with Halloween (pumpkins, bats, spiders etc.) if you don't want trick or treaters to knock on your door.
